FireBird®

Advantages

1. Plastic case
The FireBird® comes in a new attractively designed, practical plastic case.

2. 1.3 Ah Li-Ion battery with new battery management
These li-ion batteries are equipped with a new battery management system that enables even longer battery life. The batteries are therefore always ready to use.

3. Made in Germany
Developed and produced in Germany since 1992.

Scope of delivery

- FireBird®
- Li-Ion battery 14.4 Volt / 1.3 Ah
- Charger
- Plastic case
- Threaded mandrel and nosepiece M4, M5 and M6
  (more dimensions available as special accessories)
- 1 hexagonal wrench
- 1 double open ended wrench SW 24/27
